MEASURE I

ESCONDIDO COMMUNITY INVESTMENT MEASURE

MEASURE QUESTION

To provide funding for essential services in Escondido, such as providing public safety; addressing homelessness; improving streets, sidewalks and infrastructure; increasing police, fire and paramedic services; reducing traffic congestion; and maintaining parks, trails and open space, shall the Escondido Community Investment Measure establishing a local one-cent sales tax providing approximately twenty-eight million dollars annually for twenty years be adopted, for general government use, with independent audits, citizen oversight, and all money staying in Escondido?
